This Week's News

Our lovely Mrs Millar

This week's Friday Bulletin is simply a tribute to Mrs Millar, our wonderful, friend, colleague and teacher.

Mrs Millar joined Abbey in 1990 as her first and only teaching post. She taught P.2, P.3 and most recently P.1. Throughout her years in Abbey she contributed hugely to every aspect of school life.

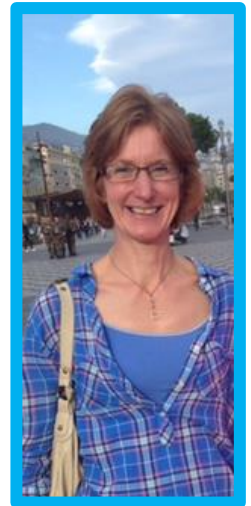

She was our Science and Structured Play co-ordinator. She led year groups and assisted with Music. Hockey was Mrs Millar's passion and she coached the girl's hockey team for many years.

The children in Mrs Millar's classes benefitted from her complete dedication to her work. She valued each child and always did her best to make every individual feel special. Her professionalism and commitment meant that every child had the best possible education.

Mrs Millar did EVERYTHING with a smile on her face. Everyone will remember her as the most gentle and thoughtful of people. Softly spoken and gracious in all situations, Mrs Millar simply shone.

We as a staff have lost the most amazing colleague and the very best friend.

As many of you know our relationships extend beyond school life and we have been privileged to spend lots of wonderful times together, chatting, eating, laughing...

We are heartbroken but have many fantastic memories.

Once again, we want to offer our sympathies to Mrs Millar's husband, Colin, sons, Conor and Ryan, her Mum and Dad and all who knew and loved her.
